quality pieces that you're looking for without having to shop around. From salon chair, barber chair, treatment bed, beauty chair and styling station, barber station to all-inclusive packages for barber shops, med spas, and more, you'll find smart solutions for all areas of your business – all backed by our more than 20 years of industry-leading experience.

Premium Medical Treatment bed Options

We also offer medical treatment beds, beauty chair, and cosmetic chairs that combine comfort and functionality for healthcare facilities. Browse our selection to find the right pieces for your space.

Whether you're renovating an existing clinic, spa, or salon furniture or starting from scratch with a brand new business, medical and hair salon furniture from DIR makes it easy to design a sophisticated space you and your clients love. Our beauty salon furniture is built in our state-of-the-art manufacturing base here in the UK, with expert thought and care put into every barber chair, treatment table, massage bed, and assorted piece of salon equipment.
